

High Level Agenda - Northstar Network Meeting

October 28-30, 2019

San Jose, CA

Goals:

- Build values-aligned power at organization, network and movement levels through deeper shared analysis:
 - Clarify our definition of social justice feminism and understanding of how we can live into this and our other values in key moments
 - Deepen our shared understanding of the Forces of Authoritarianism
 - Develop movement ecosystem power map
 - Visualize how we are organized to fight authoritarianism and the implications for coordination, collaboration and mobilization within network and beyond
- Co-iterate and kick off our “Emergent Futures” work
 - Generate and choose priority scenarios to explore
 - Sketch arc of recommendation development

Working Agreements:

- Gift of Time + Presence
- Tender Transparency
- Take care of self + group (fractal nature)
- Argh Moments
- Be Authentic, Brave Space
- Feeling Some Kind of Way
- No Quick Fixes
